WHICH TOOL IS BEST FOR YOU?

MaxiCheck™

SERVICE TOOLS

The premier Autel line of MaxiCheck service tools are the ideal tools for today's technicians to use. These service tools offer the features and functions you need at a price you can afford. These tools take the most frequently used tasks and vehicle system modules from the powerful MaxiDAS DS708 and make them available in these easy to use tools. Systems like ABS, SRS, TPMS, Oil Service, EPB, DPF and more are available. See the comparison chart to the right to find out which tool is best for you.
