

Air Grinding Tools

Super Duty

Product	302B Air Angle Die Grinder
---------	----------------------------

Recommended Catalog Description:

New and improved. For ultimate performance, the 302B is the perfect choice. This powerful grinder features a composite grip for superior ergonomics and comfort, and can be used in various applications including porting, weld breaking, de-burring, polishing and grinding.

Recommended Compelling Product Advantages:

- **Powerful motor** delivers 0.33 HP (0.25 kW) and 20,000 rpm free speed.
- **Durable ball-bearing construction** improves balance, reduces vibration, and ensures a longer life.
- **Lightweight, ergonomic composite housing** protects tool from cold air and offers greater operator comfort.

Additional Key Features:

- Built-in lubricating wick increases angle gear life.
- Integral safety-lock throttle lever prevents accidental start up.
- Rear exhaust directs air away from the operator.
- Piped-away exhaust kit optional
- Tool comes with 1/4" and 6 mm collets and two wrenches
